

Petróleos Mexicanos

(A Productive State-Owned Company of the Federal Government of the United Mexican States)

U.S. \$3,000,000,000 6.875% Notes due 2026

Issued Under U.S. \$62,000,000,000 Medium-Term Notes Program, Series C

jointly and severally guaranteed by

Pemex Exploración y Producción, Pemex Transformación Industrial, Pemex Perforación y Servicios,
Pemex Logística and Pemex Cogeneración y Servicios

The payment of principal of and interest on the 6.875% Notes due 2026 (the “Notes”) will be unconditionally and irrevocably guaranteed jointly and severally by Pemex Exploración y Producción, Pemex Transformación Industrial, Pemex Perforación y Servicios, Pemex Logística and Pemex Cogeneración y Servicios (each a “Guarantor” and, collectively, the “Guarantors”), each of which is a productive state-owned company of the Federal Government (the “Mexican Government”) of the United Mexican States (“Mexico”). The payment obligations of the Issuer (as defined below) under the Notes, and the payment obligations of the Guarantors under their respective guaranties of the Notes, will at all times rank equally with each other and with all other present and future unsecured and unsubordinated public external indebtedness of the Issuer or such Guarantor. Neither the Notes nor the obligations of the Guarantors constitute obligations of, or are guaranteed by, the Mexican Government or Mexico.

Petróleos Mexicanos (the “Issuer” and, together with the Guarantors and their consolidated subsidiaries, “PEMEX”), a productive state-owned company of the Mexican Government, will pay interest on the Notes on February 4 and August 4 of each year, commencing on August 4, 2016. Unless previously redeemed or purchased and cancelled, the Notes will mature at their principal amount on August 4, 2026. The Notes are subject to redemption in whole, at par, at the option of the Issuer, at any time, in the event of certain changes affecting Mexican taxes as described under “Description of Notes—Redemption—Tax Redemption” in the accompanying Offering Circular dated January 25, 2016 (the “Offering Circular”). In addition, the Issuer may redeem the Notes in whole or in part, at any time, by paying the principal amount of the Notes plus a “make-whole” amount plus accrued interest. See “Description of Notes—Redemption at the option of the Issuer (other than tax redemption)” in this Final Terms. The Issuer has applied to list the Notes on the Luxembourg Stock Exchange and to have the Notes trade on the Euro MTF Market of the Luxembourg Stock Exchange.

The Notes will contain provisions regarding acceleration and future modifications to their terms that differ from those applicable to certain of the Issuer’s and the Guarantors’ other outstanding public external indebtedness issued prior to October 2004. Under these provisions, which are commonly referred to as “collective action clauses” and are described under “Description of Notes—Modification and Waiver” in the Offering Circular, in certain circumstances, the Issuer may amend the payment and certain other provisions of the Notes with the consent of the holders of 75% of the aggregate principal amount of the Notes.

The Issuer has agreed to file an exchange offer registration statement or, under specified circumstances, a shelf registration statement, pursuant to an exchange and registration rights agreement with respect to its offer to exchange (the “Exchange Offer”) the Notes for Exchange Notes (as defined below). If the Issuer fails to comply with specified obligations under the exchange and registration rights agreement, it will pay additional interest to the holders of the Notes.

Investing in the Notes involves risks. See “Risk Factors” beginning on page 10 of the Offering Circular.

The Notes have not been registered under the U.S. Securities Act of 1933, as amended (the “Securities Act”) or any state securities laws and are being offered and sold only (a) to “Qualified Institutional Buyers,” as defined in Rule 144A (“Rule 144A”) under the Securities Act in compliance with Rule 144A and (b) outside the United States of America (the “United States”) in accordance with Regulation S (“Regulation S”) under the Securities Act. For a description of certain restrictions on resale and transfer of the Notes, see “Plan of Distribution” in this Final Terms and “Notice to Investors” and “Offering and Sale” in the Offering Circular.

The Notes have not been and will not be registered with the National Securities Registry maintained by the *Comisión Nacional Bancaria y de Valores* (National Banking and Securities Commission of Mexico, or the “CNBV”), and therefore may not be offered or sold publicly in Mexico. The Notes may be offered and sold to qualified and institutional investors in Mexico, pursuant to the private placement exemption set forth under Article 8 of the *Ley del Mercado de Valores* (Securities Market Law). As required under the Securities Market Law, the Issuer will give notice to the CNBV of the offering of the Notes under the terms set forth herein for informational purposes only. The delivery to, and receipt by, the CNBV of such notice does not certify the solvency of the Issuer or the Guarantors, the investment quality of the Notes, or that the information contained in the Offering Circular and this Final Terms is accurate or complete. The Issuer and the Guarantors have prepared the Offering Circular and this Final Terms and are solely responsible for their content, and the CNBV has not reviewed or authorized such content.

EXCHANGE OFFER; REGISTRATION RIGHTS

Pursuant to the Registration Rights Agreement, the Issuer will agree to use its best efforts to file with the Commission the Exchange Offer Registration Statement on an appropriate form under the Securities Act with respect to its offer to exchange any of the Notes for Exchange Notes. Upon the effectiveness of the Exchange Offer Registration Statement, the Issuer will offer to the holders of the Notes who are able to make certain representations the opportunity to exchange their Notes for Exchange Notes. The Exchange Notes will have terms identical to the Notes, except that the Exchange Notes (1) will not contain the restrictions on transfer that are applicable to the Notes and (2) will not contain any provisions for additional interest.

The Registration Rights Agreement will provide that: (i) unless the Exchange Offer would not be permitted by applicable law or Commission policy, the Issuer will use its best efforts (a) to file an Exchange Offer Registration Statement with the Commission on or before September 30, 2016, (b) to have the Exchange Offer Registration Statement declared effective by the Commission on or before March 1, 2017, and (c) to commence promptly the Exchange Offer after such declaration of effectiveness and to issue, on or before April 5, 2017, Exchange Notes in exchange for all Notes tendered prior to the expiration of the Exchange Offer, and (ii) if obligated to file the Shelf Registration Statement (as defined below), the Issuer will use its best efforts to file the Shelf Registration Statement prior to the later of March 1, 2017 or 30 days after such filing obligation arises (but in no event prior to August 1 or after September 30 of any calendar year) and the Issuer will use its best efforts to have such Shelf Registration Statement declared effective by the Commission on or prior to the 60th day after such filing was required to be made (but in no event prior to August 1 or after September 30 of any calendar year); *provided* that if the Issuer has not consummated the Exchange Offer on or before April 5, 2017, then the Issuer will file the Shelf Registration Statement with the Commission on or before April 5, 2017 (but in no event prior to August 1 or after September 30 of any calendar year). The Issuer will use its best efforts to keep such Shelf Registration Statement continuously effective, supplemented and amended until the first anniversary of the effective date of the Shelf Registration Statement or such shorter period that will terminate when all the Registrable Securities (as defined below) covered by the Shelf Registration Statement have been sold pursuant thereto or may be sold pursuant to Rule 144(d) under the Securities Act if held by a non-affiliate of the Issuer; *provided* that the Issuer shall not be obligated to keep the Shelf Registration Statement effective, supplemented or amended during any period prior to August 1 or after September 30 of any calendar year.

If (i) the Issuer is not permitted to file the Exchange Offer Registration Statement or to consummate the Exchange Offer because the Exchange Offer is not permitted by applicable law or Commission policy, (ii) the Exchange Offer is not consummated by April 5, 2017, or (iii) any holder of Notes notifies the Issuer within a specified time period that (a) due to a change in law or Commission policy it may not resell the Exchange Notes acquired by it in the Exchange Offer to the public without delivering a prospectus and the prospectus contained in the Exchange Offer Registration Statement is not appropriate or available for such resales by such holder, (b) it is a Manager and owns Notes acquired directly from the Issuer or an affiliate of the Issuer or (c) the holders of a majority in aggregate principal amount of the Notes may not resell the Exchange Notes acquired by them in the Exchange Offer to the public without restriction under applicable blue sky or state securities laws, then the Issuer will use its best efforts (1) to file with the Commission a shelf registration statement (the "Shelf Registration Statement") to cover resales of all Registrable Securities (as defined below) by the holders thereof and (2) to have the applicable registration statement declared effective by the Commission on or prior to 60 days after such filing was required to be made; *provided* that the Issuer shall not be obligated to file a Shelf Registration Statement, or to cause a Shelf Registration Statement to remain effective, during any period prior to August 1 or after September 30 of any calendar year. For purposes of the foregoing, "Registrable Securities" means each Note until (i) the date on which such Note is exchanged by a person other than a broker-dealer for an Exchange Note in the Exchange Offer, (ii) following the exchange by a broker-dealer in the Exchange Offer of a Note for an Exchange Note, the date on which such Exchange Note is sold to a purchaser who receives from such broker-dealer on or prior to the date of such sale a copy of a prospectus, (iii) the date on which such Note is effectively registered under the Securities Act and disposed of in accordance with a Shelf Registration Statement, (iv) the date on which such Note is freely transferable pursuant to Rule 144 under the Securities Act (or any similar provision then in force, but not Rule 144A), (v) the date on which such Note is otherwise transferred by the holder thereof and a new Note not bearing a legend restricting further transfer is delivered by the Issuer in exchange therefor or (vi) the date on which such Note ceases to be outstanding.

Under existing Commission interpretations, the Exchange Notes would, in general, be freely transferable after the Exchange Offer without further registration under the Securities Act; *provided* that any broker-dealer participating in the Exchange Offer must deliver a prospectus meeting the requirements of the Securities Act upon any resale of Exchange Notes. Subject to certain exceptions, the Issuer has agreed, for a period of 180 days after consummation of the Exchange Offer, to make available a prospectus meeting the requirements of the Securities Act to any such broker-dealer for use in connection with any resale of any Exchange Note acquired in the Exchange Offer. A broker-dealer that delivers such a prospectus to purchasers in connection with such resales will be subject to certain of the civil liability provisions under the Securities Act and will be bound by the provisions of the Registration Rights Agreement, including certain indemnification obligations.

Each holder of Notes that wishes to exchange Notes for Exchange Notes in the Exchange Offer will be required to make certain representations, including representations that (i) any Exchange Notes to be received by it will be acquired in the ordinary course of its business, (ii) it has no arrangement with any person to participate in a distribution of the Exchange Notes and it does not intend to participate in any such distribution and (iii) it is not an “affiliate,” as defined in Rule 405 of the Securities Act, of the Issuer, or if it is an affiliate, it will comply (at its own expense) with the registration and prospectus delivery requirements of the Securities Act to the extent applicable.

If the holder is a broker-dealer that will receive Exchange Notes for its own account in exchange for Notes that were acquired as a result of market-making activities or other trading activities, it will be required to acknowledge that it will deliver a prospectus in connection with any resale of such Exchange Notes.

If (i) the Exchange Offer Registration Statement (or a Shelf Registration Statement in lieu thereof) is not filed on or before September 30, 2016, (ii) the Exchange Offer Registration Statement (or a Shelf Registration Statement in lieu thereof) is not declared effective by the Commission on or before March 1, 2017, (iii) the Exchange Offer is not consummated on or before April 5, 2017, (iv) a Shelf Registration Statement required to be filed is not filed on or before the date specified above for such filing, (v) a Shelf Registration Statement otherwise required to be filed is not declared effective on or before the date specified above for effectiveness thereof or (vi) a Shelf Registration Statement is declared effective but thereafter, subject to certain exceptions, ceases to be effective or usable in connection with resales of Registrable Securities during the periods specified in the Registration Rights Agreement (each such event referred to in clauses (i) through (vi) above, a “Registration Default”), then, with respect to any Notes, in the case of a Registration Default referred to in clause (i), (ii) or (iii) above, the interest rate on all Notes, or, in the case of a Registration Default referred to in clause (iv), (v) or (vi) above, the interest rate on the Notes to which such Registration Default relates will increase by 0.25% per annum with respect to each 90-day period that passes until all such Registration Defaults have been cured, up to a maximum amount of 1.00% per annum; *provided* that any such additional interest on the Notes will cease to accrue on the later of (i) the date on which the Notes become freely transferable pursuant to Rule 144 under the Securities Act and (ii) the date on which the Barclays Capital Inc. U.S. Aggregate Bond Index is modified to permit the inclusion of freely transferable securities that have not been registered with the Commission. Following the cure of any Registration Default, the accrual of such additional interest related to such Registration Default will cease, and the interest rate applicable to the affected Notes will revert to the original rate.

In addition, the information contained in (i) the January Form 6-K with respect to certain additional recent developments and (ii) the September Form 6-K with respect to the legal proceedings set forth therein, in each case, supplement the information contained in the Issuer's Form 20-F.

PLAN OF DISTRIBUTION

Subject to the terms and conditions stated in the terms agreement dated as of January 28, 2016, which incorporates by reference a distribution agreement with respect to the Notes, BBVA Securities Inc., J.P. Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated and Santander Investment Securities Inc. (collectively, the “Managers”) have severally agreed to purchase, and the Issuer has agreed to sell to each Manager, the principal amount of Notes set forth opposite such Manager’s name in the following table.

<u>Manager</u>	<u>Principal Amount</u>
BBVA Securities Inc.	U.S. \$750,000,000
J.P. Morgan Securities LLC.....	U.S. \$750,000,000
Merrill Lynch, Pierce, Fenner & Smith Incorporated.....	U.S. \$750,000,000
Santander Investment Securities Inc.....	U.S. \$750,000,000
Total.....	U.S. \$3,000,000,000

The terms agreement and distribution agreement provide that the obligations of the Managers to purchase the Notes are subject to various conditions. The Managers must purchase all the Notes if they purchase any of the Notes.

The Issuer has been advised that the Managers propose to resell the Notes initially at the issue price set forth on the cover page of this Final Terms. After the Notes are released for sale, the offering price and other selling terms may from time to time be varied by the Managers.

The Notes have not been registered under the Securities Act or any state securities laws and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S) except in certain transactions exempt from, or not subject to, the registration requirements of the Securities Act.

The Issuer has been advised by the Managers that the Managers propose to resell the Notes, directly or through their selling agents or any of their affiliates, only (i) to qualified institutional buyers (as such term is defined in Rule 144A) in reliance on Rule 144A and (ii) outside the United States in offshore transactions in reliance on Regulations S. See “Notice to Investors” and “Offering and Sale” in the Offering Circular.

Accordingly, in connection with Notes offered outside the United States in offshore transactions, each Manager has agreed that, except as permitted by the terms agreement and the distribution agreement and as set forth in “Notice to Investors” in the Offering Circular, it will not offer, sell or deliver any Notes within the United States or to, or for the account or benefit of, U.S. persons (i) as part of its distribution at any time or (ii) otherwise until 40 days after the later of the commencement of this offering and the original issue date for the Notes, and that it will send to each dealer to which it sells Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons.

In addition, until 40 days after the commencement of this offering, an offer or sale of the Notes within the United States by a dealer that is not participating in this offering may violate the registration requirements of the Securities Act if that offer or sale is made otherwise than in accordance with Rule 144A.

Terms used in the four preceding paragraphs have the meanings given to them by Regulation S and Rule 144A under the Securities Act.

The Notes will constitute a new issue of securities with no established trading market. The Issuer has applied to list the Notes on the Luxembourg Stock Exchange and to have the Notes trade on the Euro MTF Market of the Luxembourg Stock Exchange. However, the Issuer cannot assure you that the prices at which the Notes will sell in the market after this offering will not be lower than the initial offering price or that an active trading market for the Notes will develop or continue, as applicable, after this offering. The Managers have advised the Issuer that they currently intend to make a market in the Notes. However, they are not obligated to do so and they may discontinue any market-making activities with respect to the Notes at any time without notice. Accordingly, no assurance can be given as to the liquidity of the trading market for the Notes.

In connection with the offering, the Stabilizing Manager (or any person acting on behalf of the Stabilizing Manager) may purchase and sell the Notes in the open market. These transactions may include over-allotment, covering transactions and stabilizing transactions carried out by the Stabilizing Manager (or any person acting on behalf of the Stabilizing Manager). Over-allotment involves sales of Notes in excess of the principal amount of such Notes to be purchased by the Stabilizing Manager (or any person acting on behalf of the Stabilizing Manager) in this offering, which creates a short position for the Stabilizing Manager (or any person acting on behalf of the Stabilizing Manager). Covering transactions involve purchases of Notes in the open market after the distribution has been completed in order to cover short positions. Stabilizing transactions consist of certain bids or purchases of Notes made for the purpose of preventing or retarding a decline in the market price of such Notes while the offering is in progress. Any of these activities may have the effect of preventing or retarding a decline in the market price of the Notes. They may also cause the price of the Notes to be higher than the price that otherwise would exist in the open market in the absence of these transactions. The Stabilizing Manager (or any person acting on behalf of the Stabilizing Manager) may conduct these transactions in the over-the-counter market or otherwise. If the Stabilizing Manager (or any person acting on behalf of the Stabilizing Manager) commence any of these transactions, they may discontinue them at any time, but it must end no later than 30 days after the date on which the Issuer received the proceeds of the issue, or no later than 60 days after the date of allotment of the relevant Notes, whichever is the earlier. Any stabilization action or over-allotment must be conducted by the Stabilizing Manager (or any person acting on behalf of such Stabilizing Manager) in accordance with all applicable laws and rules.

The Managers may receive offers to buy Notes from certain of their affiliates in Mexico. No assurance can be given that such offers will be received or that the Notes will be sold to such persons by the Managers. Any Notes sold to such affiliates will be sold at the Issue Price.

Sales of the Notes by the Managers outside of the United States may be effected through any of their respective affiliates in accordance with applicable law.

The net proceeds to the Issuer from the sale of the Notes will be approximately U.S. \$2,989,250,000 excluding accrued interest, if any, and after the deduction of the underwriting discount and the Issuer's share of the expenses in connection with the sale of the Notes. See "Use of Proceeds" in the Offering Circular.

The Managers and their respective affiliates are full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, investment research, principal investment, hedging, financing and brokerage activities. Certain of the Managers and their respective affiliates have, from time to time, performed, and may in the future perform, various financial advisory and investment banking services for the Issuer or one or more of the Guarantors, for which they received or will receive customary fees and expenses. Certain of the Managers and/or their affiliates are lenders under the Issuer's existing term loan and revolving credit facility.

In addition, in the ordinary course of their business activities, the Managers and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Issuer or its affiliates. If any of the Managers or their affiliates has a lending relationship with the Issuer, certain of those Managers or their affiliates routinely hedge, and certain other of those Managers or their affiliates may hedge, their credit exposure to the Issuer consistent with their customary risk management policies. Typically, such Managers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in the Issuer's securities, including potentially the Notes offered hereby. Any such short positions could adversely affect future trading prices of the Notes offered hereby. The Managers and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

The Issuer and the Guarantors have agreed to indemnify the several Managers against certain liabilities, including liabilities under the Securities Act. The Managers have agreed to reimburse the Issuer for certain of its expenses in connection with the offering of the Notes.

The Notes are offered for sale in those jurisdictions in the United States, Canada, Europe, Asia, Latin America and elsewhere where it is lawful to make such offers.

Each of the Managers has represented and agreed that it has not offered, sold or delivered and will not offer, sell or deliver any Notes, directly or indirectly, or distribute this Final Terms, the Offering Circular or any other offering material relating to the Notes in or from any jurisdiction, except under circumstances that will result in compliance with the applicable laws and regulations thereof and that will not impose any obligations on the Issuer except as set forth in the terms agreement and the distribution agreement.

- (c) in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in (a) to (c) above shall require the Issuer, any Guarantor or any Manager to publish a prospectus pursuant to Article 3 of the Prospectus Directive, or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “offer of Notes to the public” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Relevant Member State by any measure implementing the Prospectus Directive in that Relevant Member State, the expression “Prospectus Directive” means Directive 2003/71/EC (as amended) and includes any relevant implementing measure in each Relevant Member State.
